

SCHEDULE TO CLAUSE 43.01 HERITAGE OVERLAY

1.0

Application requirements

The following application requirements apply to an application under Clause 43.01, in addition to those specified elsewhere in the planning scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority:

- A report prepared by a suitably qualified heritage consultant, which assesses the impact of the application upon the significance of the heritage place. This information may not be required for minor applications as determined by the responsible authority.
- For applications that propose upper storey additions sightline diagrams, including oblique view diagrams from each adjoining street (not a laneway) or a public park abutting the property.
- For applications that propose to use a heritage place for a use otherwise prohibited under the zone a written submission prepared by a suitably qualified person that includes:
 - Evidence as to how the change of use will ensure conservation of the heritage place.
 - Evidence that other options for prohibited or non-prohibited uses have been examined.
 - A conservation management plan.
- For applications for total demolition of a non-contributory place, an application for a new replacement development.
- For applications for total demolition of a contributory or individually significant heritage place:
 - An application for a new replacement development.
 - A structural engineering report prepared by a suitably qualified person.
 - A report by a suitably qualified person justifying the demolition of a heritage place rather than retention and repair/restoration.
- For applications that remove, destroy or lop trees with an identified heritage value:
 - A report from a suitably qualified person.
 - A landscape plan detailing any existing tree(s) and vegetation to be removed and retained; and a schedule of all proposed trees, shrubs and ground covers (including numbers, size at planting, size at maturity and botanical names).
- For applications where new undeveloped lots are proposed that are not accompanied by a development proposal, building envelopes for the subdivided lots.
